## MANAGEMENT INFORMATION CIRCULAR

(as at February 24, 2026, and in Canadian dollars, except where indicated)

**This Information Circular is furnished in connection with the solicitation of proxies by the management of Great Atlantic Resources Corp. (the “Company” or “Great Atlantic”) for use at the Annual General and Special Meeting (the “Meeting”) of its shareholders to be held on Tuesday, March 31, 2026, at the time and place and for the purposes set forth in the accompanying notice of the Meeting**

In this Information Circular, references to “the Company”, “we” and “our” refer to Great Atlantic “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

### GENERAL PROXY INFORMATION

#### Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

#### Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

#### Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

**In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.**

#### Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. A registered shareholder may submit a proxy using one of the following methods:

- a) complete, date and sign the Proxy and return it to the Company’s transfer agent, Odyssey Trust Company (“Odyssey”), by fax to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll-free within Canada and the U.S.) or 416-263-9524 (international), or by hand delivery to Odyssey, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8; or

- 
- b) use a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- c) log on to Odyssey's website at, <https://vote.odysseytrust.com>. You will require the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by internet, do not mail the proxy.

Whatever method a registered shareholder uses to submit their proxy, they must ensure that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof.

### **Beneficial Shareholders**

**The following information is of significant importance to shareholders who do not hold Common Shares in their own name.** Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("**OBOs**") object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("**NOBOs**") who do not object to the issuers of the securities they own knowing who they are.

The Company is taking advantage of the provisions of National Instrument 54-101 - Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**") that permit the Company to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from our transfer agent, Odyssey Trust Company. ("**Odyssey**"). The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a beneficial owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a VIF in lieu of the proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), who is different from any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative, which may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common

Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

#### Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

#### Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it using one of the following methods:

- a) execute a proxy bearing a later date or execute a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Odyssey or at the address of the office of the Company at the, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, ON M5E 1J8, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- b) attend the Meeting in person and vote the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

#### INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein.

#### VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed **February 24, 2026**, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of February 24, 2026, there were **66,277,696** Common Shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the Directors and executive officers of the Company, the beneficial owners or persons exercising control or direction over Company shares carrying more than 10% of the outstanding voting rights are:

The Company has a stock option plan (the "Plan") previously approved by the shareholders of the Company on July 12, 2024. A copy of the Plan is attached hereto as Schedule "B" and filed on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca). The Plan is incorporated herein by reference. As the Plan was last approved by the Company's shareholders at the AGM held July 12, 2024, the Company is asking shareholders to approve the Plan for the fiscal year end 2024 as well.

The policies of the TSXV require that the Plan be approved by shareholders on an annual basis at the Company's Annual General Meeting. The Plan is subject to the approval of the shareholders of the Company and review and acceptance by the TSXV. The Company is seeking shareholder approval for the Plan and the approval of the number of common shares reserved for issuance under the Plan in accordance with and subject to the rules and policies of the TSXV.

The Plan is a "rolling" stock option plan, whereby a maximum of 10% of the issued shares of the Company, from time to time, may be reserved for issuance pursuant to the exercise of options. The purpose of the amended Stock Option Plan is to attract and motivate directors, officers, employees and consultants to the Company and its subsidiaries and thereby advance the Company's interests by

---

affording such persons with an opportunity to acquire an equity interest in the Company through the stock options. A copy of the Plan can be obtained by contacting the Company.

A full copy of the Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the Plan from the Company prior to the Meeting on written request. The following is a summary of the principal terms of the Option Plan:

*Number of Shares Reserved.* The number of common shares reserved for issuance under the Plan is 10% of the number of common shares outstanding at any given time.

*Administration.* The Plan is to be administered by the Board of Directors of the Company or by a committee to which such authority is delegated by the Board of Directors from time to time.

*Eligible Persons.* The Plan provides that stock options may be issued only to directors, officers, employees, and consultants of the Company or of any of its affiliates or subsidiaries, to employees of consultant companies providing management or administrative services to the Company, and to consultant companies themselves. Such persons and entities are referred to herein as "Eligible Persons".

*Board Discretion.* The Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or any committee to which such authority is delegated by the Board of Directors from time to time.

*Maximum Term of Options.* Options granted under the Plan will be for a term not exceeding ten years.

*Maximum Options per Person.* The number of shares reserved for issuance to any one option holder pursuant to options granted under the Plan during any twelve month period may not exceed 5% (or, in the case of a Consultant, 2%) of the outstanding shares of the Company at the time of grant. The number of shares reserved for issuance to Consultants and Employees who are engaged in investor relations activities is limited to an aggregate of 2% of the outstanding shares of the Company at the time of grant.

*No Assignment.* The options may not be assigned or transferred.

*Termination Prior to Expiry.* Generally, options must expire and terminate on a date stipulated by the Board of Directors at the time of grant and, in any event, must terminate within a reasonable period to be determined by the Administrator commencing on the effective date the Optionee ceases to be employed by or provide services to the Company (but only to the extent that such Option has vested on or before the date the Optionee ceased to be so employed or provide services to the Company) as provided for in the written option agreement between the Company and the Optionee, and all rights to purchase Shares under such Option will expire as of the last day of such Exercise Period, provided however that the maximum Exercise Period shall be six (6) months, unless the Optionee has entered into a valid employment or consulting agreement that provides for a longer Exercise Period, but in no case shall the Exercise Period be greater than one (1) year unless prior TSXV approval has been given. If an option holder dies, the options of the deceased option holder will be exercisable by his or her estate for a period not exceeding 12 months or the balance of the term of the options, whichever is shorter.

*Exercise Price.* Options granted under the terms of the Plan will be exercisable at a price which is not less than the Discounted Market Price, as that term is defined in the TSXV policy manual as of the date hereof, or such other minimum price as is permitted by the TSXV in accordance with its policies from time to time.

*Full Payment for Shares.* The Company will not issue shares pursuant to options granted under the Plan unless and until the shares have been fully paid for. The Company will not provide financial assistance to option holders to assist them in exercising their options.

*Reduction of Exercise Price.* The exercise price of stock options granted to Insiders may not be decreased without disinterested shareholder approval (as described above).

*Termination of Plan.* The Plan will terminate when all of the options have been granted or when the Plan is otherwise terminated by the Company. Any options outstanding when the Plan is terminated will remain in effect until they are exercised, or they expire.

Policy 4.4 of the TSX Venture Exchange (the "Exchange") requires that rolling stock option plans must receive shareholder approval yearly, at an issuer's annual general meeting. In accordance with Policy 4.4, shareholders will be asked to consider and if thought fit, approve an ordinary resolution re- approving, adopting, and ratifying the Plan as the Company's stock option plan.

---

The text of the ordinary resolution to be considered at the Meeting will be substantially as follows:

**“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE COMPANY THAT:**

1. the stock option plan of the Company be approved substantially in the form attached as Schedule “B (the “**Plan**”) and the Plan be and is hereby ratified, approved and adopted as the stock option plan of the Company;
2. the form of the Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Company;
3. the issued and outstanding stock options previously granted shall be continued under and governed by the Plan;
4. the shareholders of the Company hereby expressly authorize the board of directors to revoke this resolution before it is acted upon without requiring further approval of the shareholders in that regard; and
5. any one (or more) director or officer of the Company is authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

**Unless otherwise directed, it is the intention of the Management Designees to vote proxies in favour of the resolution reapproving the Plan.** In order to be effective, an ordinary resolution requires approval of a majority of the votes cast by shareholders who vote in respect to the resolution.

**6. APPROVAL OF AMENDED RESTRICTED SHARE UNIT PLAN**

The Company currently has in place a fixed restricted share unit plan dated for reference dated for reference July 12, 2024, under the policies of the TSX Venture Exchange (the “**RSU Plan**”). For greater certainty, a Person retained to provide Investor Relations Activities shall not be eligible to receive any Awards under the RSU Plan.

Eligibility to participate in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

**Subject to certain restrictions, the Board can, from time to time, award RSUs in its discretion to any Eligible Persons. RSUs will be credited to an account maintained for each Participant on the books of the Company as of the award date. The**

#### *Credit for Dividends*

Unless otherwise determined by the Board, a Participant's Account will be credited with additional RSUs (the “**Dividend RSUs**”) as of each dividend payment date in respect of which cash dividends are paid on Common Shares. The number of Dividend RSUs credited to a Participant's Account in connection with the payment of dividends on Common Shares will be based on the actual amount of cash dividends that would have been paid to such Participant had he or she been holding such number of Common Shares equal to the number of RSUs credited to the Participant's Account on the date on which cash dividends are paid on the Common Shares and the market price of the Common Shares on the payment date. Note that the Company is not obligated to pay dividends on Common Shares.

#### *Resignation, Termination, Leave of Absence or Death*

Generally, if a Participant's employment or service is terminated, or if the Participant resigns from employment with the Company, then all RSUs held by the Participant (whether vested or unvested) shall terminate automatically upon the termination of the Participant's service or employment.

In the event a Participant is terminated by reason of (i) termination by the Company other than for cause or (ii) the Participant's death, the Participant's unvested RSUs shall vest automatically as of such date. In the event the termination of the Participant's services is by reason of voluntary resignation, only the Participant's unvested RSUs shall terminate automatically as of such date.

#### *Change of Control*

In the event of a Change of Control (as defined in the New RSU Plan), the Board may, in its discretion, without the necessity or requirement for the agreement or consent of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any RSU; (ii) permit the conditional settlement of any RSU, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the RSU, including for greater certainty permitting Participants to settle any RSU, to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event (as defined in the RSU Plan) or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the RSUs not settled prior to the successful completion of such Change of Control Event, including, without limitation, for no payment or other compensation. The determination of the Board in respect of any such Change of Control Event shall for the purposes of this RSU Plan be final, conclusive and binding.

#### *Vesting*

Notwithstanding any other provision of the New RSU Plan, no Award (other than stock options or securities issued pursuant to a security purchase plan of the Company) shall vest earlier than one year from the date of grant of Award.

#### *Adjustments*

In the event there is a change in the outstanding Common Shares by reason of any stock dividend or split, recapitalization, amalgamation, consolidation, combination or exchange of shares, or other corporate change, the Board may make, subject to the prior approval of the TSXV where necessary, appropriate substitution or adjustment in (i) the number or kind of Common Shares or other securities reserved for issuance pursuant to the RSU Plan, and (ii) the number and kind of Common Shares or other securities subject to unsettled and outstanding RSUs granted pursuant to the RSU Plan in order to preserve proportionately the rights of Eligible Persons.

### **AMENDED RSU PLAN RESOLUTION**

Shareholders will be asked at the Meeting to consider and, if thought advisable, to pass by an ordinary resolution to approve the adoption of the Company's New RSU Plan, with or without variation, as follows:

#### **“BE IT RESOLVED THAT:**

1. the RSU Plan is hereby approved for continuation as the RSU Plan for the Company, effective as of the date hereof;
2. the maximum number of Shares to be authorized and reserved for issuance under the RSU Plan, shall not exceed 5,122,267 of the Common Shares, the issuance and release of such Shares subject to vesting terms to be determined at the discretion of the Board in accordance with the RSU Plan;

3. the Company be and is hereby authorized to award as fully paid and non assessable that number of Shares specified in the Grant Agreement evidencing restricted share units awarded to Participants under the RSU Plan;
4. any two directors and/or officers of the Company be authorized to execute such treasury order or treasury orders as may be necessary to effect the issuance of Shares under the RSU Plan; and
5. the Board is hereby authorized to make such amendments to the RSU Plan from time to time, as may be required by the applicable regulatory authorities, or as may be considered appropriate by the Board, in its sole discretion, provided always that such amendments be subject to RSU Plan.”

The RSU Plan requires approval by a majority of the votes cast by Shareholders present in person or by proxy at the Meeting.

The Board has concluded that continuation of the RSU Plan is in the best interests of the Company and its Shareholders. Accordingly, the Board unanimously recommends that Shareholders to approve the adoption of the Company’s RSU Plan by voting FOR the RSU Plan Resolution at the Meeting.

## **7. APPROVE CREATION OF CONTROL PERSON**

The policies of the Exchange requires the Company obtain the approval of the disinterested shareholders of the Company to authorize the creation of a new “Control Person” of the Company.

A “**control person**” is defined by the policies of the Exchange as any person that holds or is one of a combination of persons that holds a sufficient number of any of the securities of an issuer so as to affect materially the control of that issuer, or that holds more than 20% of the outstanding voting shares of an issuer except where there is evidence showing that the holder of those securities does not materially affect the control of the issuer.

Mr. Christopher Anderson purchased common shares through various Company financings and in the public market. Subsequently Mr. Anderson now owns 27.73% of the Company’s shares.

At the Meeting, the disinterested Shareholders of the Company will be asked to consider and, if thought fit, approve an ordinary resolution of disinterested shareholders approving Mr. Anderson becoming a control person of the Company. Pursuant to the policies of the Exchange, the Exchange generally requires shareholder approval for any transaction that results in the creation of a new control person.

Given the foregoing, the disinterested shareholders will be asked to consider and if thought fit, approve an ordinary resolution approving the creation of a potential control person. In order for the resolution approving the creation of a potential control person to be effective, it must be approved by the affirmative vote of majority of the votes cast in respect thereof by shareholders present in person or by proxy at the Meeting, excluding the votes, if any, cast by Mr. Anderson, associates and affiliates, and all persons acting jointly and in concert, who vote in respect of such ordinary resolution in person or represented by proxy at the Meeting.

The text of the ordinary resolution to be considered at the Meeting will be substantially as follows:

“Be it resolved as an ordinary resolution of the Company that:

1. A new control person be approved by the disinterested shareholders of the Company on such terms as are more particularly described in the 2026 Management Information Circular of the Company dated February 24, 2026; and
2. Any two directors of the Company is / are authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declaration, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

Pursuant to the requirements of the Exchange, the foregoing resolution must be approved by a majority of the votes cast at the Meeting by Shareholders of the Company voting in person or by proxy other than the votes attaching to Common Shares beneficially

---

owned by Mr. Anderson. Unless otherwise directed, it is the intention of the Management Designees to vote proxies in favour of the ordinary resolution approving the creation of the new control person.

In order to be effective, the foregoing ordinary resolution must be approved by a simple majority of the votes cast by those shareholders of the Company who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

**The Company's Board of Directors recommends a vote "FOR" the Control Person Resolution. In the absence of a contrary instruction, the Persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the Control Person Resolution set out above.**

## GENERAL

**Unless otherwise directed, it is management's intention to vote proxies in favour of the resolutions set forth herein.** All special resolutions to be brought before the Meeting require, for the passing of the same, a two-thirds majority of the votes cast at the Meeting by the holders of Common Shares. All ordinary resolutions require, for the passing of the same, a simple majority of the votes cast at the Meeting by the holders of Common Shares. All approvals by disinterested shareholders require the approval of the shareholders not affected by, or interested in, the matter to be approved.

## STATEMENT OF EXECUTIVE COMPENSATION

Unless otherwise noted the following information is for the Company's last completed financial year (which ended February 28, 2025).

### Named Executive Officers

For the purposes of this Circular, a Named Executive Officer ("NEO") of the Company means each of the following individuals:

- a) the chief executive officer ("CEO") of the Company;
- b) the chief financial officer ("CFO") of the Company;
- c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for that financial year; and
- d) each individual who would be an NEO under (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

### Compensation Discussion and Analysis

The Company's board of directors (the "**Board**"), acting through the Corporate Governance Committee and the Compensation Committee, evaluates the performance of the CEO in conjunction with the Company's goals and objectives and, acting through the Corporate Governance and Compensation Committees, approves the compensation level of the CEO and of the Company's executive officers. The Board seeks to ensure that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company's compensation philosophy.

The Board, acting through the Compensation Committee, is also responsible for recommending compensation for the directors and granting stock options to the directors, officers and employees of, and consultants to, the Company pursuant to the Company's Stock Option Plan. Each of the independent directors has appropriate experience and skills based on their involvement with various companies in the public company sector as disclosed in the section below on Relevant Skills and Experience.

### Philosophy

The Company follows the practice of compensating its NEOs such that compensation is competitive with peer group companies, which allows the Company to attract and retain its key employees, and allows the Company to compensate based on performance.

---

This philosophy is linked to the Company's business strategy which includes increasing stakeholder value. In addition, the compensation programs aim for simplicity and responsiveness to market changes. The Board oversight is total in that the Board annually determines the base salary, cash and stock incentives and grant of stock options.

All incentives are subject to risk but the Board believes that these risks are mitigated because it has the right to determine all incentives in light of any inappropriate risks taken by a NEO. In addition, all NEO compensation policies and practices are similar, the Board can exercise the right to award or reduce any compensation, no policies are weighted towards short term goals, and policies are awarded upon an accomplishment of a short term task which affects the company over a longer term.

### **Objective and Description of Business**

Great Atlantic Resources Corp., (the "**Company**") is a Canadian exploration company engaged in exploration and evaluation of resources properties. The Company has been focused on acquiring and exploring mineral properties in the Atlantic Canada region. This region was rich in historical mining with many past producing mines in the region that have seen little to no drilling or modern day exploration programs.

The Company performs reviews of all NEOs annually, or as needed in light of company developments and market conditions, to ensure that compensation provided to top performing individuals is comparable to that of individuals with similar qualifications, skills and positions with peer companies within the mining industry. The compensation is also reviewed in light of the company's cash position, budgets and share prices to ensure that the compensation is also equitable to the company and the future success of the company. In the last year, two compensation reviews have been undertaken seeking to align the NEOs interests to that of shareholders in light of the Company's cash position and difficult market conditions.

The Company is a reporting issuer in British Columbia and Alberta, Canada. The Company's common shares trade on the TSX Venture Exchange under the symbol GR.

### **Components of Compensation**

The Company's key components of compensation are base salary, variable annual cash incentives and stock options. The Company does offer other perquisites but such are not material on an annual basis.

#### **Base Salary**

A target salary is determined by the Board of Directors based on consideration of various marked factors. The target salary is the optimal salary paid to an individual who is proficient, experienced, has sufficient skills and potential and is performing at a high level. The Company follows standard industry practices when assessing compensation.

#### **Annual Cash and Stock Incentives**

The Board of Directors considers incentives to the NEOs from time to time based on objectives tied to the general improvement of the Company in terms of successful financings, property acquisitions, property option agreements, establishing control procedures, and other factors as determined by the Board of Directors.

#### **Stock options**

The philosophy of the Board of Directors is to grant options based on an individual's involvement, proficiency, experience and performance levels Options are granted periodically.

During the year ended February 28, 2025, there were no stock options granted by the Company.

### **Summary Compensation Table**

**General**

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

**Board of Directors**

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

- (d) the satisfaction of any conditions on exercise prescribed pursuant to Section 3.4 hereof.
- (e) In this connection the Company shall, to the extent necessary, take all commercially reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which the Shares are then listed.

7.3 Options shall be evidenced by a share option agreement, instrument or certificate in such form not inconsistent with this plan as the Board may from time to time determine as provided for under Subsection 3.2 (g), provided that the substance of Article 5 be included therein.

- 8.2 In the event of any consolidation of the Shares into a lesser number of Shares at any time after the grant of an Option to any Optionee and prior to the expiration of the term of such Option, the Company shall deliver to such Optionee at the time of any subsequent exercise of his or her Option in accordance with the terms hereof, in lieu of the number of Shares to which he or she was theretofore entitled upon such exercise, but for the same aggregate consideration payable therefore, such number of Shares as such Optionee would have held as a result of such consolidation if, on the record date thereof, the Optionee had been the registered holder of the number of Shares to which he or she was theretofore entitled upon such exercise.
- 8.3 If at any time after the grant of an Option to any Optionee and prior to the expiration of the term of such Option, the Shares shall be reclassified, reorganized or otherwise changed, otherwise than as specified in Sections 8.1 and 8.2 or, subject to the provisions of Subsection 9.2(a) hereof, the Company shall consolidate, merge or amalgamate with or into another company (the company resulting or continuing from such consolidation, merger or amalgamation being herein called the "Successor Company") or, the Company shall pay a stock dividend (other than any dividends in the ordinary course), the Optionee shall be entitled to receive upon the subsequent exercise of his or her Option in accordance with the terms hereof and shall accept in lieu of the number of Shares to which he or she was theretofore entitled upon such exercise but for the same aggregate consideration payable therefore, the aggregate number of shares of the appropriate class and/or other securities of the Company or the Successor Company (as the case may be) and/or other consideration from the Company or the Successor Company (as the case may be) that the Optionee would have been entitled to receive as a result of such reclassification, reorganization or other change or, subject to the provisions of Subsection 9.2(a) hereof, as a result of such consolidation, merger, amalgamation, or stock dividend, if on the record date of such reclassification, reorganization, other change or stock dividend, or the effective date of such consolidation, merger or amalgamation or dividend payment, as the case may be, he or she had been the registered holder of the number of Shares to which he or she was theretofore entitled upon such exercise.

The Board shall not, in the event of any such advancement or extension, be under any obligation to advance or extend the date on or by which Options may be exercised by any other Optionee. If an extension to any Option granted to an Insider of the Company is contemplated, disinterested Shareholder approval must be obtained; and
  - (d) the Board may, by resolution, but subject to applicable regulatory requirements, decide that any of the provisions hereof concerning the effect of termination of the Optionee's employment shall not apply to any Optionee for any reason acceptable to the Board.

### **Grant**

1.10 The Board may, in its discretion, at any time, and from time to time, grant Restricted Stock Units to Eligible Persons as it determines is appropriate, subject to the limitations set out in this Plan. In making such grants the Board may, in its sole discretion but subject to §1.12(b)(ii), in addition to Performance Conditions set out below, impose such conditions on the vesting of the Awards as it sees fit, including imposing a vesting period on grants of Restricted Stock Units.

### **Performance Conditions**

1.11 At the time a grant of a Restricted Stock Unit is made, the Board may, in its sole discretion, establish such performance conditions for the vesting of Restricted Stock Units as may be specified by the Board in the Award (the "Performance Conditions"). The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any Performance Conditions, and may exercise its discretion to reduce the amounts payable under any Award subject to Performance Conditions. The Board may determine that an Award shall vest in whole or in part upon achievement of any one performance condition or that two or more Performance Conditions must be achieved prior to the vesting of an Award. Performance Conditions may differ for Awards granted to any one Recipient or to different Recipients.

Prior to the grant of any Award under this Plan, the Company and the Eligible Person to whom such Award is to be granted shall each ensure and confirm that such Eligible Person is, at the time of grant, a bona fide Employee, Consultant or Management Company Employee of the Company or a Subsidiary, in accordance with the policies of the Exchange.

### **Vesting**

1.12 Notwithstanding any other provision of this Plan, no Award (other than stock options or securities issued pursuant to a security purchase plan of the Company) shall vest earlier than one year from the date of grant of such Award. Notwithstanding the foregoing, acceleration of vesting shall be permitted in connection with the death of the Eligible Person or where the Eligible Person ceases to be an Eligible Person in connection with a change of control, take-over bid, reverse take-over or other similar transaction, in accordance with the policies of the Exchange. Except as provided in this Plan, Restricted Stock Units issued under this Plan will vest on the date (the "Vesting Date") that is the later of:

- (a) the Trigger Date; and
- (b) the date upon which the relevant Performance Condition or other vesting condition set out in the Award has been satisfied, provided that:

- (i) Restricted Stock Units shall only vest on the Trigger Date to the extent that the Performance Conditions or other vesting conditions set out in an Award have been satisfied on or before the Trigger Date;
- (ii) if the date in §1.12(a) or §1.12(b) occurs during a Restricted Period, the Vesting Date shall be extended to a date which is the earlier of: (i) one business day following the end of such Restricted Period; and (ii) the Expiry Date; and

For greater certainty, any amendment to a Trigger Date shall remain subject to all applicable vesting conditions set out in this Plan and shall not operate so as to permit vesting in contravention of Section 1.12.

#### **Account**

1.15 Restricted Stock Units issued pursuant to this Plan (including fractional Restricted Stock Units, computed to three digits) will be credited to a notional account maintained for each Recipient by the Company for the purposes of facilitating the determination of amounts that may become payable hereunder. #### **Dividend Equivalents**

1.16 In the event that dividends are paid on Shares, the Board may, in its discretion, provide that Eligible Persons holding outstanding Awards shall be entitled to receive additional Awards in lieu of such dividends, on such terms and conditions as the Board may determine. For greater certainty, any additional Awards granted pursuant to this Section 1.17 shall be included in calculating the limits set forth in Section 1.8 of this Plan.

Notwithstanding any other provision of this Plan, if the issuance of Shares pursuant to Awards granted under this Section 1.17 would result in (i) the number of Shares reserved for issuance under the Plan being exceeded, or (ii) a breach of any limit on grants or issuances contained in Section 1.8 of this Plan, the Company may, in its sole discretion and subject to the policies of the Exchange, settle such entitlement in cash in an amount determined by the Board to be equivalent in value to the Shares that would otherwise have been issued.

#### **Adjustments and Reorganizations**

1.17 In the event of any subdivision, consolidation or reclassification of the Shares, or any other change in the capital of the Company, or in the event of an amalgamation, arrangement, merger, spin-off or other transaction affecting the Shares, the Board may make such adjustments, if any, as it considers appropriate to the number of Shares subject to outstanding Awards and to any other terms of such Awards, in order to preserve proportionately the rights of Eligible Persons. Notwithstanding the foregoing, any adjustment to Awards granted or issued under this Plan (other than an adjustment resulting solely from a consolidation or subdivision of Shares) shall be subject to the prior acceptance of the Exchange. For greater certainty, no adjustment shall be made in a manner that would be inconsistent with the policies of the Exchange.

#### **Notice and Acknowledgement**

1.18 No certificates will be issued with respect to the Restricted Stock Units issued under this Plan. Each Eligible Person will, prior to being granted any Restricted Stock Units, deliver to the Company a signed acknowledgement substantially in the form of Schedule "A" to this Plan.

### **Plan Amendment**

1.31 The Board may, from time to time, amend, suspend or terminate this Plan or any Award granted hereunder, in whole or in part; provided, however, that any such amendment shall be subject to the prior acceptance of the Exchange and to shareholder approval, where required by the policies of the Exchange. For greater certainty, any amendment to the terms of this Plan or to any grant or issuance of security based compensation under this Plan shall not become effective unless and until all required approvals of the Exchange and shareholders of the Company, if applicable, have been obtained. No amendment shall be made which would adversely affect the rights of an Eligible Person under an outstanding Award without the consent of such Eligible Person, except as required to comply with applicable law or the policies of the Exchange.

### **Plan Termination**

1.32 The Board may terminate this Plan at any time, but no termination will, without the consent of the Recipient or unless required by law, adversely affect the rights of a Recipient with respect to Restricted Stock Units to which the Recipient is then entitled under this Plan. In no event will a termination of this Plan accelerate the vesting of Restricted Stock Units or the time at which a Recipient would otherwise be entitled to receive any payment in respect of Restricted Stock Units hereunder.

### **Governing Law**

1.33 This Plan and all matters to which reference is made in this Plan will be governed by and construed in accordance with the laws of British Columbia and the federal laws of Canada applicable therein.

### **Reorganization of the Company**

1.34 The existence of this Plan or Restricted Stock Units will not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, Shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

### **No Shareholder Rights**

1.35 Restricted Stock Units are not considered to be Shares or securities of the Company, and a Recipient who is issued Restricted Stock Units will not, as such, be entitled to receive notice of or to attend any shareholders' meeting of the Company, nor entitled to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, and will not be considered the owner of Shares by virtue of such issuance of Restricted Stock Units.

### **No Other Benefit**

1.36 No amount will be paid to, or in respect of, a Recipient under this Plan to compensate for a downward fluctuation in the Fair Market Value or price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Recipient for such purpose.

### **Unfunded Plan**

1.37 For greater certainty, this Plan will be an unfunded plan, including for tax purposes and for purposes of compliance with any laws applicable to the Company. Any Recipient to which Restricted Stock Units are credited to his or her account or holding Restricted Stock Units or related accruals under this Plan will have the status of a general unsecured creditor of the Company with respect to any relevant rights that may arise thereunder.
